REACH DECLARATION

Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

SHVC Candidate list REACH dated 28th of June 2024

According to the REACH regulation, İNFOKS KABLO SAN. ve TIC. ŞTİ is classified as a supplier of cables. In this position, we have no obligation to register. As a matter of course, we will comply with all obligations under REACH, including information tasks within the supply chain, and will provide you with the material necessary for secure handling of all products concerned.

As a matter of course, we will assure a smooth handling of deliveries, even amongst the requirements of the REACH regulation. We will monitor the developments of REACH and comply with the upcoming requirements.

Information requirements according to article 33 REACH:

As a manufacturer of cables we are required to submit certain information, if a so-called candidate substance (substance of very high concern (svhc) REACH 241 SVHC, last updated on 27-06-2024 is present in one of our articles in a concentration higher than the legal threshold of 0.1 mass%.

We observe all authorization obligations in accordance to REACH Annex XIV, as well as all restrictions on manufacturing, marketing and use of substances, as defined in Annex XVII of REACH. All products delivered by İNFOKS KABLO comply with the substance-related requirements of REACH.

We closely monitor the "candidate list", as published by the European Chemicals Agency, in which substances of very high concern (SVHC) are listed. Therefore, we are well prepared not only for the current situation, but also for future additions to the candidate list.
