

## DECLARATION OF PERFORMANCE

**Nr of DoP : INF-06**

**1. Unique identification code of the product type:**

U-DQ(BN)H 24-72 FIBER

**2. Intended use(s) :**

Supply of electricity and communications in buildings and other civil engineering works with the objective of limiting the generation and spread of fire and smoke

**3. Manufacturer:**

INFOKS KABLO SANAYİ TİCARET LTD.ŞTİ

**4. Representative:**

N/A

**5. Evaluation and verification systems of the consistency of the performances:**

System 3

**6. Harmonised standard:**

EN 50575: Power, control and communication cables- cables for a general application in the construction works subject to fire reaction requirements.

**Notified body:**

EFFECTIS ERA AVRASYA - notified by identification nr 2184

**7. Declared performances**

| <i>Essential characteristics</i> | Performances                       | Harmonised technical specifications |
|----------------------------------|------------------------------------|-------------------------------------|
| Reaction to fire                 | <b>Eca</b>                         | EN 50575:2014+A1:2016               |
| Hazardous substances             | No hazardous substances identified |                                     |

The performances of the above-mentioned product comply with the declared performances. According to the regulation (UE) 305/2011, the present declaration of performances is made under the sole responsibility of the above-mentioned manufacturer.

Signed for the manufacturer and on his behalf:
